FACIALS SPECIALTY

➤ Program Objective

The mission of the facials specialty program is to prepare students for employment as a licensed Facials/Skin Care Specialist. Instruction is designed to qualify students for employment upon successfully obtaining a Facials Specialist license.

➤ Program Content

The content includes, but is not limited to: communication, leadership, human relations and employability skills, safe and efficient work practices, Florida cosmetology law and rules, acquisition of knowledge of the facial skin and the related chemistry, bacteriology, anatomy and physiology, and development of skill in performing the manipulative and electrical techniques required in the practice of facials specialist occupations.

This program focuses on broad, transferable skills and stresses understanding and demonstration of the following elements of the cosmetology industry: browarch, eyelash extension, waxing, microdermabrasion, art of makeup, planning, management, finance, technical and production skills, underlying technological principles, labor, community, health, safety, and environmental issues.

Instruction and learning activities are provided in a laboratory setting using hands-on experiences with chemicals, implements, and equipment appropriate to the program's content and in accordance with safety and sanitation practices in the trade.

➤ Admission Requirements

- ▶ 16 years of age or older and not currently enrolled in any K-12 program
- ▶ Occupational Interest

➤ Completion Requirements

The program consists of one occupational completion point.
