

## Industry Certifications Return on Investment

This document is intended to inform parents and students about the potential cost savings associated with earning industry certifications before high school graduation. These savings are primarily realized through tuition and fee reductions resulting from postsecondary credits awarded via statewide articulation agreements.

In addition, students may earn industry certifications that do not directly translate into college credit. However, because the school district covers the cost of certification exam vouchers, families still benefit from significant financial savings.

If you have any questions, please contact 305.324.6070.

### Industry Certifications Offered by Miami Dade County Public School District with State Articulation Agreements

#### Lindsey Hopkins Technical College

Updated 2024-25 Average Tuition and Fees per Credit Hour*						\$106.81
Program	Industry Certification Code	Industry Certification Title	# of Credits Articulated	10-Digit CIP Number	Associate Degree Program	College Savings
Computer Systems & Information Technology	COMPT001	CompTIA A+	6	1615120100	Computer Engineering Technology	\$640.86
Computer Systems & Information Technology	COMPT006	CompTIA Network+	3	1615120100	Computer Engineering Technology	\$320.43
Computer Systems & Information Technology	COMPT008	CompTIA Security+	3	1511100308	Cybersecurity	\$320.43
Computer Systems & Information Technology	COMPT008	CompTIA Security+	3	1511100300	Cybersecurity Operations	\$320.43
