- Deliver English language instruction to adult English language learners whose native language is other than English or who live in a family or community environment where a language other than English is the dominant language, to achieve competence in reading, writing, speaking and comprehension of the English language.

Adult Basic Education Program: The ABE Program is a non-credit AGE program designed to maintain alignment and ensure educational continuity with Florida’s K-12 Benchmarks for Excellent Student Thinking (B.E.S.T.) Standards. The ABE Program consists of two courses, ABE Reasoning through Language Arts (RLA) and ABE Mathematics. Students may enroll in each course independently or in both courses simultaneously.

In accordance with s. 1004.02, F.S.,⁴ the ABE Program is guided by the following objectives:

- Provide educational services that will enable adults to acquire:
 - The basic skills necessary to attain basic and functional literacy.
 - A high school diploma by completing the AHS program or by passing a high school equivalency examination.
 - An educational foundation that will enable them to become more employable, productive and self-sufficient citizens.
- Provide educational opportunities for adults who have earned a diploma or high school equivalency diploma but who lack the basic skills necessary to function effectively in everyday situations, to enter the job market or to enter career certificate instruction.
- Provide academic services to students in the following priority:
 - Students who demonstrate skills at less than a fifth-grade level, as measured by tests approved for this purpose by the State Board of Education and who are studying to achieve basic literacy.
 - Students who demonstrate skills at the fifth-grade level or higher, but below the ninth-grade level, as measured by tests approved for this purpose by the State Board of Education and who are studying to achieve functional literacy.
 - Students who are earning credits that are required for a high school diploma or who are preparing for the high school equivalency examination.
 - Students who have earned high school diplomas and require specific improvement to:
 - Obtain or maintain employment or benefit from certificate career education programs.
 - Pursue a postsecondary degree.
 - Develop competence in the English language to qualify for employment.

In accordance with AEFLA, the ABE Program is guided by the following objectives:

- Provide academic instruction and education services below the postsecondary level that increase an individual’s ability to:
 - Read, write and speak in English and perform mathematics or other activities necessary for the attainment of a secondary school diploma or its recognized equivalent.
 - Progress to postsecondary education and training.
 - Obtain employment.

EDUCATIONAL FUNCTIONING LEVELS

Educational Functioning Level (EFL) is a term found in WIOA (Code of Federal Regulations Title 34 Subtitle B Chapter IV Part 462) that refers to the literacy levels in the ABE RLA course.⁶ The ABE RLA course has 4 EFLs, each representing a specific set of ABE RLA skills. Additional information on the term EFL is available in the official NRS Technical Assistance Guide.⁷

Table 1: NRS EFLs for the ABE RLA Course in relation to the Grade Equivalent for each level.

NRS Educational Functioning Levels	Course Title and Levels	Grade Equivalent
ABE Level 1	ABE RLA Level 1	0.0 – 1.9
ABE Level 2	ABE RLA Level 2	2.0 – 3.9
ABE Level 3	ABE RLA Level 3	4.0 – 5.9
ABE Level 4	ABE RLA Level 4	6.0 – 8.9

PROGRAM LENGTH

The maximum number of instructional hours recommended by the FDOE is 450 hours per EFL. Acknowledging the individualized nature of learning, some students may finish an EFL in fewer (or more) hours than the recommended maximum duration indicated.

Table 2: Recommended Maximum Number of Hours by Educational Functioning Level

Course Title and Number	NRS Educational Functioning Levels	Recommended Maximum Hours
ABE RLA • School Districts: 9900023 • Florida College System: ABX0400-ABX0499	ABE Level 1	450

CURRICULUM AND INSTRUCTION

The ABE RLA curriculum framework provides instructors with the Anchor Standards in Reading, Writing and English Language Arts that the adult learner needs. Emphasizing the term “framework,” it serves as the cornerstone for designing curriculum, aiding agencies and teachers in the selection or creation of instructional materials, techniques and continuous assessment. The FDOE disseminates the ABE RLA curriculum framework to agencies statewide, empowering local agency personnel to craft a curriculum relevant to the objectives of their students and instructors. Below is a structured outline of elements to consider when creating the local agency’s curriculum:

1. Educational Outcomes:

⁶ <https://www.ecfr.gov/current/title-34/subtitle-B/chapter-IV/part-462>

⁷ <https://nrsweb.org/policy-data/nrs-ta-guide>

- Clearly define the educational outcomes that students are expected to achieve upon completion of the course.
2. **Core Instructional Materials:**
 - Develop or select a set of core instructional materials (both print and digital) that are aligned with the defined educational outcomes. This can include textbooks, workbooks, online resources and multimedia materials.
 3. **Needs Assessment Tools:**
 - Create a series of needs assessment tools to help teachers identify the specific learning needs and educational goals of individual students. This will aid in prioritizing standards and tailoring instruction to meet the varying needs of learners.
 4. **Supplementary Workbooks:**
 - Provide workbooks covering grammar, pronunciation and vocabulary within the context of academia, careers and the workforce.
 5. **Pacing Guides and Matrices:**
 - Develop pacing guides and matrices that clearly outline the scope and sequence of the curriculum. This aids in organizing content over the duration of the course and ensures a logical progression of skills.
 6. **Recommended Resources:**
 - Compile a list of recommended websites, films and digital learning tools that can be utilized by teachers to supplement the curriculum. Ensure that these resources are relevant, up-to-date and support the varying needs of adult learners.
 7. **Overview of Content:**
 - Provide an overview of the content to be covered in the course, including reading standards and any additional content created or collected by instructors.
 8. **Learning Activities:**
 - Describe a variety of learning activities that can be used regularly for reinforcement. Include a mix of individual and group activities, hands-on projects and real-world application exercises.

It is recommended to continuously assess and update the agency's curriculum based on feedback, changes in educational standards and the evolving needs of learners. Regular collaboration with instructors and seeking input from the FDOE Bureau of Adult Education can further enhance the quality and effectiveness of the agency's curriculum.

Instructors are not obligated to follow the standards sequentially. The distinct needs of each group of students can guide instruction, empowering instructors to modify the sequence of teaching the standards and benchmarks.

ASSESSMENT

For guidance on the assessment guidelines and requirements for ABE RLA, see State Board Rule 6.A-6.014, F.A.C.⁸

References for Assessment and Reporting: For complete information regarding assessment procedures and policies, see the FDOE Assessment Technical Assistance Paper.⁹ For guidelines on the procedures for reporting data related to student test results, see the FDOE Division of Career and Adult Education (DCAE) Office of Research and Evaluation.¹⁰

Pre-testing: Federal and state regulations mandate that local adult education agencies conduct pre-tests for all new students within the initial 12 hours of enrollment activity. The FDOE defines a new student as someone not previously enrolled in the local agency during the current or preceding program year. New ABE RLA students are required to pre-test in the reading skill area. The agency is responsible for submitting the pre-test results to the FDOE in accordance with the guidelines outlined by the DCAE Office of Research and Evaluation.

¹⁰ <https://www.fldoe.org/academics/career-adult-edu/research-evaluation/>

Post-testing: Once a student completes the recommended instructional hours specified by the test publisher, the local agency will administer post-tests in reading. Subsequently, the agency is required to submit the post-test results to the FDOE in accordance with the guidelines established by the DCAE Office of Research and Evaluation.

Course Completion: For state and federal reporting purposes, completion of the ABE RLA course occurs when the student's post-test scores exceed NRS ABE level 4. The agency is responsible for reporting the post-test results to the FDOE following the guidelines outlined by the DCAE Office of Research and Evaluation.

ACCOMMODATIONS

Both federal and state laws mandate the provision of accommodation(s) for students with disabilities to address individual needs and guarantee equal access. Adult students with disabilities are required to self-identify, submit documentation and request the necessary accommodation(s). Accommodation(s) for students with disabilities may be necessary in various areas, including instructional methods and materials, assignments and assessments, time constraints and schedules, learning environments, assistive technology and special communication systems. Documentation detailing the requested and provided accommodation(s) should be securely stored in a confidential file.

ADULT EDUCATION INSTRUCTOR CERTIFICATION REQUIREMENTS

As per s. 1012.39 (1)(b), F.S.,¹¹ each school district shall establish the minimal qualifications for part-time and full-time teachers in adult education agencies.

FDOE INTEGRATED EDUCATION AND TRAINING (IET) SERVICE APPROACH¹²

The FDOE promotes the planning, development and implementation of an IET service approach that provides concurrent and contextualized adult education and literacy activities in combination with workforce preparation activities and workforce training for a specific occupation or occupational cluster for the purpose of educational and career advancement.

Florida's IET service approach is well-suited for meeting the specific needs of ABE students. Agencies are encouraged to create opportunities that seamlessly integrate education and career-focused content and deliver workforce preparation and training for ABE students.

The IET service approach provides students at all levels of adult education with the opportunity to acquire the skills needed to:

- Progress to and complete postsecondary education and training programs.
- Obtain employment and advance in employment leading to economic self-sufficiency.
- Exercise the rights and responsibilities of citizenship.

All IET Programs must include the following three components as noted in the following sections of WIOA.¹³

- Adult education and literacy activities (WIOA Section 203(2)).
- Workforce preparation activities (WIOA Section 203(17)).

¹¹ <https://www.flsenate.gov/laws/statutes/2011/1012.39>

¹² <https://www.fldoe.org/academics/career-adult-edu/adult-edu/adult-edu-career-pathways.stml>

¹³ <https://www.congress.gov/113/bills/hr803/BILLS-113hr803enr.pdf>

- Workforce training services (one or more) for a specific occupation or occupation cluster (WIOA Section 134(c)(3)(D)).

To meet the “integrated” requirement of IET, all services must include the following:

- Adult education and literacy activities run concurrently and contextually with workforce preparation activities and workforce training for a specific occupation or occupational cluster for the purpose of educational and career advancement.
- Activities are of sufficient intensity and quality and based on the most rigorous research available, particularly with respect to improving reading, writing, mathematics and English proficiency of eligible individuals.
- Occur simultaneously.
- Use occupationally relevant instructional materials.

The integrated education and training program must have a single set of learning objectives that identifies specific adult education content, workforce preparation activities and workforce training competencies and the program activities function cooperatively.

ABE STANDARDS BACKGROUND

In Program Year 2022-2023, the FDOE aligned its ABE RLA Standards to Florida’s K-12 Benchmarks for Excellent Student Thinking (B.E.S.T.) Standards for RLA in accordance with Executive Order 19-32¹⁴ dated January 31, 2019. This current version of the ABE RLA Standards is the result of that alignment. Professional curriculum writers developed the current set of standards with extensive input from a team of Florida Adult Education practitioners who thoroughly reviewed the standards. The current standards address the high-priority skills and content that students need to advance toward their postsecondary and career goals.

ABE RLA STANDARDS FOR ADULT EDUCATION

The ABE RLA curriculum framework has these components: Strands, Standards and Benchmarks. The Strands include Foundations, Reading, Communication and Vocabulary. Each Standard is associated with one or more Benchmarks. Instructors may present topic-centered and/or project-based lessons that integrate standards from multiple strands.

Table 3: The Coding Scheme used in the ABE RLA Curriculum Framework

FOUNDATIONS STRAND (0.0 – 8.9)

Foundational skills are the building block skills for students functioning within NRS Levels 1-4. These skills increase a student’s understanding and working knowledge of concepts of print, the alphabetic principle and other basic conventions of the English reading and writing systems. They are necessary and important components of an effective, comprehensive reading program designed to develop proficient readers with the capacity to comprehend texts across a range of types and disciplines. Teachers can integrate these standards into instruction as needed for students that may not be proficient in these skills. The Foundations (F) Strand for ABE EFLs 1 – 4 includes 1 standard and 4 benchmarks.
