**CLEANING AND SANITATION AUDIT  
SCORING AND GRAPHIC PRESENTATION**

Scoring is based on visual inspection with results expressed by two grade categories:

**CATEGORIES:**

**FACILITIES SCORED:**

S = Satisfactory -

S = 93%

U = Unsatisfactory -

U = 7%

The scored results are presented graphically to indicate the relative cleanliness and sanitation level of key areas of the facility environment. This method fairly pinpoints acceptable quality standards and obvious deficiencies in the cleaning services program. The custodial staff's responsibility is to provide a safe and sanitary environment for the education process. Analysis of individual cleaning assignment areas will measure the custodian's performance.
